FAST ORDER DELIVERY

Products are built to order and ready in days

AURUM DESIGN opens the door to a modern sensibility - the desire for customization and personalized style. We offer designers, homebuilders and homeowners the ability to mix and match their own unique blend. Authentic designs, new finish options, and the ability to mix and match give homeowners numerous ways to express personal style and create a space that is a reflection of the homeowner's design aesthetic.

* All combinations can be confirmed by our staff for availability
